

In Gallery Photo Scavenger Hunt

There are so many different photographic images in this exhibition, and each one tells a story. Go on a scavenger hunt around the gallery. See if you can find an image to match up with everything on this list!

You might find that you can match a single suggestion on this list to lots of images in the exhibition, or that you can match a single image to more than one suggestion!

Have fun with your family and work together to look for ...

- an image that makes you feel happy
- an image that reminds you of home (Why does it remind you of home?)
- an image that contains a camera
- an image that gives you goose bumps (What about the image gives you goose bumps?)
- an image that reminds you of unwrapping a present
- an image that contains your favourite colour
- an image that reminds you of a dream
- an image that makes you feel sleepy
- a black and white image
- an image that looks like it is upside down
- an image that is a self-portrait
- an image that really makes you wonder (What does it make you wonder?)
- an image that looks like it was taken in a country other than Australia (What country do you think the image was taken in? What makes you think this?)
